Topics

- Foundations of quantum physics
- Non-equilibrium statistical physics
- Quantum thermodynamics
- Quantum measurement, entanglement and coherence
- Dissipation, dephasing, noise and decoherence
- Quantum optics
- Macroscopic quantum behavior, e.g. cold atoms, Bose-Einstein condensates
- Physics of quantum computing and quantum information
- Mesoscopic, nano-electromechanical and nano-optical systems
- Biological systems, molecular motors
- Cosmology, gravitation and astrophysics

Scientific Program (subject to change)

The program has two types of lectures. [Overview invited lectures](#) cover a somewhat broader area or a few related topics (30 minutes), while [shorter invited lectures](#) (20 minutes) deal with promising progress in developing and understanding particular topics or techniques related to the scope of the conference. Submitted contributions will be presented and discussed only in the poster session. Due to the shortage of time for invited lectures, the scientific committee will also invite several special [invited poster contributions](#), which may be discussed in a related poster session "meeting". [Evening lectures](#) will be announced later.

Participation and Contributions

Participation at the conference is limited by its intended purpose and by the capacity of the local facilities. **Oral contributions are only invited by the Scientific Committee.** Duration of the invited lectures will be communicated to individual speakers after the participation of most speakers is confirmed. Apart from a talk, every invited speaker can additionally contribute by one poster. Participants who are not invited as speakers are encouraged to submit one or two poster contributions. The Scientific committee will decide poster acceptance.

Social Program (subject to change)

The details as for exact times and how to get there will be specified in the conference program and venue at the [www](#) pages of the conference.

REGISTRATION

Participants, including invited speakers and poster contributors, should register in advance by filling out the registration form at the [www](#) pages of the conference.

CONFERENCE FEE

All participants, including organizers, are requested to pay the conference fee. Because the conference budget is created only by conference fees, all participants are kindly requested to pay the conference fee as soon as possible.

The organizers have succeeded to keep the fee at nearly the same level as at the last (FQMT'11) conference. The organizers of the conference will try to provide not only good conditions for participants and the scientific program, but also to create a really interesting social program during the conference, so the participants of the conference enjoy both physics and their stay in Prague.

Registration fee of Participants will cover:

- Conference materials and a soft attaché case
- Refreshment during registration on Sunday
- Welcome party in the Wallenstein Palace on Monday
- Guided tour through Prague
- Concert(s) of classical music
- Concert of jazz music
- Poster session buffet
- Refreshments during all coffee breaks

Before April 18: 510 Eur

Between April 18 and June 25: 590 Eur

On site after arrival: 690 Eur

- Sunday July 28, 6 p.m. - 9 p.m.
- Monday July 29, 7 a.m. - 12 a.m.

Later on, there will be a possibility to register in the Conference Office on the ground floor of the Hotel.

The participants are kindly asked to register, if possible, on Sunday, July 28.

Welcome refreshment on Sunday will be held in the Lounge of the hotel.

VENUE – CONFERENCE SITE

The FQMT'13 conference will take place at the following site:

Pyramida Hotel

Address

Orea Hotel Pyramida, Bělohorská 24, 169 01 Praha 6

All regular talks, poster session and some social events of the FQMT'13 conference will be held in the halls of the Pyramida Hotel. Participants are strongly recommended to accommodate in this hotel since this gives them a possibility of optimal use of their time during the conference.

ACCOMMODATION

The organizers of the conference have reserved limited number of rooms for participants of FQMT'13 in the **Pyramida Hotel, the site of the conference**, with **advantageous price discounts**.

In the Pyramida Hotel most of the FQMT'13 conference events will take place, including all regular talks, poster session and some social events. The hotel provides its guests with breakfast and for the participants of the conference a possibility to buy a lunch at a reduced price. Participants are therefore strongly recommended to accommodate in this hotel since this gives them a possibility of optimal use of their time during the conference.

Organizers of FQMT'13 would like to ask participants (especially invited ones) to reserve there accommodation as soon as possible. The number of reserved rooms in Pyramida Hotel is now limited as well as price discounts are time limited. Organizers are able to reserve still another rooms with discount prices for participants only if need arises in time.

Rooms in the Pyramida Hotel are reserved from Sunday July 28 till Sunday August 4, but when you reserve your room sufficiently early there will be a very good chance for you to reserve your accommodation (for the discount price) for any period of time between July 26 and August 10. Participants thus can use these discount prices for their accommodation to take part in both conference and enjoy Prague for longer time either before or after FQMT'13 or during weekends.

Please, use for your reservation the direct link to the Pyramida hotel via the www page <http://tinyurl.com/fqmt-2013>.

You can also find this link at the www pages of the conference under the item accommodation.

When communicating with the Pyramida Hotel, please use as the password FQMT13.
